

Civil Engineer Intern

Civil Southeast, LLC

info@civilse.com

Main: 866.245.0584

WHO WE ARE SEEKING:

Civil Southeast is actively seeking the best and brightest civil engineering interns to join their Andalusia, Prattville, and Daphne Alabama Offices. As a civil engineering intern, you will work directly with a professional civil engineer in a mentorship role intended to grow you professionally and personally. As a Civil Engineer Intern at Civil Southeast,

YOU WILL GET TO:

- Perform topographical surveys with our surveying team to promote civil design and drafting skills.
- Perform onsite construction engineering and inspection (CEI) to become more efficient and knowledgeable.
- Spend time using AutoCAD.
- Shadow engineers in their duties and assist them with tasks as they are needed.
- Learn more than you ever thought possible enabling you to be well prepared for your future career as a Civil Engineer.
- Work alongside some of the best and brightest civil engineers and land surveyors in the Southeast.

YOU MAY GET TO:

- Meet and interact with clients and regulators.
- Schedule and manage projects to ensure deadlines are being met. Process contractor pay request and required paperwork.
- Plan, permit, and design transportation, water, wastewater, recreational, and storm drainage projects. Perform detailed design using AutoCAD Civil 3D.
- Share your professional and personal goals and be regularly encouraged and challenged to accomplish them.

YOU NEED:

- A strong desire to join a small consulting engineering firm which focuses on your personal and professional growth.
- To be obtaining your Bachelor of Civil Engineering degree from an accredited institution.
- An ability to effectively communicate with clients, contractor, team members, and the public.
- A strong sense of urgency and self-initiative to meet deadlines.
- To be able to operate a computer for long periods of time and love working hard.
- A track record showing a desire to continually grow and improve personally.
- To love our mission, values, and vision.

Please email cover letter and resume if interested in this opening. Qualified candidates may be sent an application for employment to complete.
